

Earth Day 2020 Patch

2" Embroidered Iron-On Patch

Earth Day ideas for one scout alone or with their family.

- Start a compost pile in their yard.
- Plant a small garden in their yard.
- Contact a neighbor who needs help via phone or text and offer to clean up their yard.
- Pick up litter on your neighborhood walk.
- Get permission from the town (via phone or e-mail) to plant a tree. You can order one from a local nursery or on-line.

Your scouts might also enjoy some of the craft and hands on Earth Day projects on our page **Earth Day**.
