

Tree Planting Patch Program

Planting a tree in your community is something your girls will remember for years. You can do a memorial tree planting, a commemorative tree planting, park tree planting, community entrance planting or any other idea you girls might have. The Arbor Day Foundation has plenty of information to help. See their website to get started: arborday.org/takeaction/volunteer/organize.cfm

How Daisies and Brownies can earn this patch:

Plant a tree.

Decide how you will pay for the tree. Maybe you will use troop funds or get a donation. Get some help from families for the tree planting day.

How Juniors and Cadettes can earn this patch:

Plant a tree for a cause.

Honor someone or a group of people. Invite them to attend the planting. Make up a ceremony to honor the celebration.

How Seniors and Ambassadors can earn this patch:

Get the community involved.

Set a goal to plant multiple trees in a special spot in your community. Decide how to fund the event. Involve younger troops if possible. Consider having refreshments after the planting ceremony. Maybe a plaque can be placed near the area to mark the spot. Make a commitment to maintain the area.
