

Rock Painting and Hiding Patch Program

Rock Painting and hunting for painted rocks has quickly become a popular trend. It's a fun and creative way to combine art, outdoor activity and community spirit.

Supplies:

Smooth Rocks, Acrylic Paint, Brushes, Sealer (such as Outdoor Mod Podge), Embellishments (Optional)

Instructions:

Wash and dry rocks. Paint the rocks anyway you like. You can also add inspirational messages and/or embellish with glitter or gems. Let dry. Use sealer to preserve the art. Hide your rocks in "plain site" in a public place. Check local social media. Many towns have rock painting and hiding guidelines. If you find a painted rock, take a photo. Post it to social media and re-hide it.
