

## Taught Outdoor Skills Patch Program

---

### **How Daisies and Brownies can earn this patch:**

Be a buddy.

Daisy and Brownie who have camped before can buddy up with a new camper to help them remember to stay on paths and in camp sites and not go into wooded areas.

Leave no trace.

Girls who have practiced leave no trace can explain the importance of picking up after yourself and making sure that no garbage is left around the campsite.

Food Safety

Experienced campers can explain the importance of not having any food, candy or gum in the tents.

### **How Juniors and Cadettes can earn this patch:**

Teaching younger girls.

If camping with Daisy and Brownie girls, demonstrate to girls how to choose a site and set up a tent.

You can explain to younger girls why a camping cooler with a locking mechanism is needed.

### **How Seniors and Ambassadors can earn this patch:**

Teaching younger girls.

If camping with Junior and Cadette girls, first review fire circle safety and then demonstrate how to safely start and put out a campfire. Demonstrate to all of the younger girls how to do a tick check with their buddy.
